STATE OF MICHIGAN
Department of Natural Resources

In the Matter of:

Ford Motor Company - Wixom Sanitary Landfill
Novi Township
Oakland County

SCHEDULE FOR FINAL CLOSURE

The Michigan Department of Natural Resources (MDNR) and Ford Motor Company Wixom agree and stipulate to the following:

1) Ford Motor Company - Wixom has operated a solid waste disposal facility (licensed pursuant to Act 87, P.A. of 1965) in Section 7, Novi Township, Oakland County since Prior to August 31, 1976 (date of first license)

2) Ford Motor Company - Wixom does not desire to undertake the financial and other necessary to continue operation of said solid waste disposal facility in compliance with Act 641, P.A. of 1978, as amended.

3) Ford Motor Company - Wixom desire to discontinue the operation of said solid waste disposal facility and agrees to bring about the final closure of said solid waste disposal facility in compliance with the rules currently administered under Act 641, P.A. of 1978.

The following sequence of actions is necessary to bring about the final closure of the said facility.

PROPER CLOSURE

1) Further receipt of refuse shall be terminated as of November 20, 1979.

2) A compacted layer of at least six inches of suitable cover material shall be placed on all exposed solid waste at the end of each operating day.

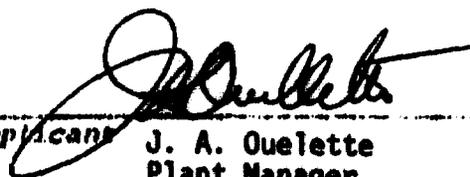

3) A minimum of two feet of compacted, suitable cover material shall be commenced as soon as possible over all area of the landfill which have not already been final covered and completed no later than December 31, 1980.

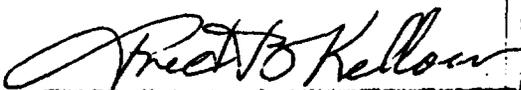

4) The entire site shall be graded to prevent the collection of standing water and facilitate the runoff of surface water on slopes that are gradual enough to prevent erosion.

5) The final cover shall be ~~constructed~~ excavated, grouted and seeded for stabilization of the final cover by June 1, 1981.

6) An inspection of the entire site shall be made to determine compliance with the proper sequence of actions for final closure before earthmoving equipment is removed from site. Any necessary corrective work shall be performed before the landfill is accepted as completed. Arrangements shall be made for the repair of all cracked, eroded and uneven areas in the final cover during the first two years following completion of the fill.

The aforementioned schedule is accepted only as conditions for final closure of the Ford Motor Company - Wixom solid waste disposal facility.
